### QUICK GUIDE

- 2 Teacher writes about a problem
- 3 You don't understand at all
- 4 Teacher asks for a meeting
- 5 You need 24h to think

# If this happens

*Three moments that feel like emergencies. They're usually not.*

**Formal-sounding words like convocation, urgent, obligation.** Don't panic. French school language is naturally formal. Use phrase 1 (acknowledge).

**It's 8pm and you can't sleep until you reply. Don't.** Teachers protect evenings. Send phrase 5 (buy time) tomorrow morning.

**Teacher said something that feels unfair about your child.** Back the teacher in writing. Use phrase 2 (acknowledge with discussion). Disagreement is for face-to-face.

## Where things live in Pronote

*Communication* Messages. *Discussion* = with a teacher. *RDV* = meeting requests.

*Vie scolaire* Attendance, lateness, *justifier une absence*.

*Notes / Bulletin* Grades. *Bulletin* = trimester report (3× a year).

*Cahier de textes* Homework. What was covered. What's due.

### TIMING
